

Newport Marine Discovery Tour Info

This trip showcases the Oregon Coast with seasoned captains having experience from the Bering Sea to San Francisco Harbor. Joined by a team of friendly naturalist guides, we provide fun and exciting 2-hour cruises that focus on Oregon wildlife aboard the deluxe 65ft Discovery. Depending on the time of the year, we look for gray whales, harbor porpoise, seals, sea lions, pelicans, bald eagles and an abundant abundance of marine birds. Enjoy the incredible scenery of our bay, river and coastline featuring the largest fishing fleet on the Oregon Coast, our historic bridge, two lighthouses and fun activities for all ages!

Our cruise route varies depending on the ocean conditions. This way we can provide a cruise that is safe and comfortable as well as an activity you can count on! If the ocean is calm, we will spend most of tour time on it. If the ocean is rough, or the conditions change while you are out there, we have 6 miles of bay and river ways to explore!
